STATEMENT	<p><b>“Following the relocation of the swivel bearing and fork leg lines in 2014, this was the third line we relocated and commissioned with the help of montagen plus. Once again, the collaboration went perfectly. They provide each service needed, the staff is very committed, reliable and they meet any previously set dates. I can absolutely recommend working with montagen plus.”</b></p> <p><i>Herr Andrej Krpelan Manager DUVENBECK Logistics Europe GmbH Bratislava, Slovakia</i></p>
